What is Policy Donation Pledge?

Policy Donation Pledge is a non-legal binding document to be submitted by policyholder who intends to record his/her wish to donate policy(s) after death.

What is Policy Donation Pledge for ?

After the content is anonymized, it serves for two major purposes.

1. To develop "Annual Statistics of Policy Donation" as a reference for both public & third sector.
2. To recognize insurance intermediaries who have given his/her best to promote policy donation, cultivating our society with a caring culture.

Is it compulsory to submit?

No, it's not. Submission of a Policy Donation Pledge Form is entirely voluntary. It is neither a contract, nor it is legally binding. The policyholder always has the right to request to amend or cancel the Policy Donation Pledge Form at any time on his/her own decision.

Would the charity receive notification upon the change of beneficiary ?

The designation of beneficiary is the privacy of policyholder. Unless the details is disclosed by the policyholder or the disclosure of fully anonymised personal data based on the consent signed on policy donation pledge by policyholder, charity would NOT be informed as a beneficiary upon the change. The term & condition is applied to all beneficiary(s).

What is PDP Recognition Program ?

Policy donation is made possible through the selfless contribution by our LifeCare Movement (LCM) Ambassadors, who deserved every single recognition for their voluntary services. We held an Annual LCM Policy Donation Recognition Ceremony as a grand event to express our appreciation to their outstanding performances.
